## Butcher Block Countertop Order Form

Butcher block countertop is available in either a face grain or edge grain full length strips. Each top can be 1-1/4 to 4" thick with specified edges on individual sides. Each top can be machined with a myriad of options including trivet grooves, drainage channels, sink cutouts, peninsula ends and miter joints. Please specify exact outer measurements when choosing additional options. Sink cutouts require a template or CAD file. If template is supplied, there will be a \$50.00 charge to create each CAD file.

Countertops take 7-10 days from approval date for manufacturing. Rush jobs will incur a 35% upcharge and will take a minimum of 4 days. Finishing will add 5 additional days. **NO RUSH IS AVAILABLE FOR PREFINISHING.**
