

Top Line Grant 73-134

up to 150 lbs/door (68 kg/door), double track with fascia,
for door thickness 1 3/4" (44.4 mm), side mount, adjustable

Top Line Grant 73-134

A medium duty commercial and residential grade sliding door hardware series with fascia for by-passing installations. Applications include doors between rooms, closet doors, cabinets, storage walls and partitions.

- For 1 3/4" doors weighing up to 150 lbs (68 kg), optional nylon wheel carrier up to 100 lbs (45 kg)
- Precision ball-bearing wheels guarantee a smooth, quiet and long lasting performance.
- Heavy duty aluminum Double I-beam track; jump proof design
- Track with 2 3/8" fascia, decorative anodized finish
- Pivoting rocker arms ensure track-carrier contact.
- Ball and socket suspension compensates for minor header misalignment.
- Lock nut guarantees permanent positioning.
- Serrations in apron permit vertical adjustment.
- Conforms to ANSI/BHMA standards, Grade 1
- Made in USA

Technical specifications are subject to change without notice
