# ECLIPSE UNDERMOUNT

## Easy-Close 3135EC

The enhanced Eclipse 3135EC is engineered specifically for commercial grade applications that require an undermount slide with flawless movement and superior soft-close action. Easy to install and adjust, the Eclipse offers minimal drawer sagging, migration, and produces a consistent, reliable experience time after time.

Applications include retail fixtures, hospitals, medical facilities, institutional casework, and high-end residential.

### Features & Benefits

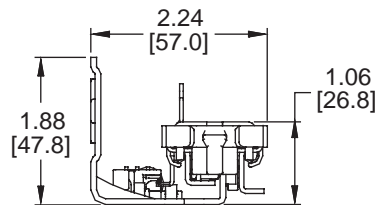

- **Commercial grade** undermount.
- **100-pound** load rating.
- **Interior Easy-Close** reduces envelope of product; meets ADA requirements with 4.8 lbs. of pull force (up to 100 lbs.)
- **Easy-Close mechanism** consistently brings drawers to a gentle close.
- **Fluid Dampener** resists slams without adding bounce-back.
- **Lower Spacer Clip** reduces migration and side-to-side movement.
- **Improved** full extension movement.
- **Multiple drawer front adjustment** features horizontal, vertical, and front-to-back adjustments for ease of installation.
